Karyllan,

We are working on oversight bills for the various elements of the Diamond Alkali Site, which will cover the period of 9/1/2012 through 8/31/13.

At the end of the last billing period, EPA had exhausted all but \$78,824 of the prepaid oversight amount of \$450,000.

In 2011, we agreed to extend the period covered by the dedicated RPM payment until the end of 2012. That RPM and other oversight charges through the end of 2012 period will not completely exhaust the \$450,000, so we will show the balance as a credit on the regular oversight bill.

Please let me know if you have any questions or concerns.

Regards,

-Sarah
